

Republic Doors and Frames

Product Sourcing Update: Wicket Doors

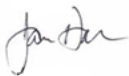

At Republic we continually strive to meet your business needs in the most efficient manner possible, ensuring our partnership leads to your success. In that spirit, effective immediately, Republic's Wicket Door offering, will now be manufactured via a sourcing partner. This will ensure product is available with shorter lead times and remain competitively priced.

Wicket Door Sourcing Change – Details

- Effective immediately the Wicket Door offering previously manufactured by Republic will only be offered using a sourcing partner.
- Price book will note "inquiry" as the price along with where and how to submit a request for pricing. Price book can be accessed via [Allegion 360 Portal](#).
- All requests will be custom quoted with a net price and sent back for approval.
- Product will be available in a shorter lead-time and will continue to be competitively priced.
- All orders will ship separate from other Republic product from our sourcing partner.
